

## ***Homeless Outreach Service Team***

### **Charter**

whereas the salt lake city community:

intends to support an end to homelessness

supports the prudent or wise use of resources in responding to homelessness

intends to assure that public spaces are open, safe and enjoyable for everyone

intends to coordinate the efforts of business, social service agencies and law enforcement in support of the effort to end homelessness

has established the Homeless Outreach Service Team to provide leadership to manage these efforts

therefore the undersigned commit to:

support the goals of the HOST project as an ongoing effort in the community

mention HOST in any relevant interactions with the public, employees and interested parties

participate as needed in coordination efforts between business, social service agencies and law enforcement

These commitments are established to foster success in ending homelessness, which will result in a stronger, safer, more enjoyable public environment for all residents of our community.
